

## **Shipping & Returns**

### **Postage and Handling**

Parcels are sent through Australia Post. The postage cost is based on the Australia Post parcel service's current pricing. We make every effort to keep costs to a minimum. Express post and registered post services are available.

Every effort is made to dispatch parcels within 2 working days. Please note the delivery times quoted are estimates only.

### **Returns Policy**

Should you find that the item you have ordered does not fit correctly, we are happy to exchange it if returned to us in good/unused condition. The postage cost for returning goods is the customer's responsibility.

We make every effort to ensure that items are shipped in perfect condition. However, if you do find any item to be faulty, we will happily replace it.
