Bienvenido Facilities & fees listing 2026

Bienvenido prides itself on being a safe, friendly and fun place to spend time learning with your horses and making many friends along the way. Steve and I strive to improve your experience here where we can and appreciate your feedback & suggestions (time & finances allowing we will continue to improve our home and special place for the enjoyment of all).

Set on 40 acres on the edge of the Lockyer Valley with good float/gooseneck access, facilities include a 60 x 20m professionally built arena and sand round yard along with a grassed Working Equitation course.

Your horse/s will stay in roomy part post & rail/electric fenced grass yards (with no direct access to other horses) Each yard has a safe place to hang a hay net, and water containers are provided. Each horse is required to have its own yard, sorry no tying to floats is allowed. We are very mindful of biosecurity and weed control so ask that all manure regardless of where deposited is promptly removed and placed in the manure trailer. All waste hay is also to be placed in the manure trailer. Wheelbarrows and forks provided.

We have 12 clinic yards so if you are wanting to bring more than one horse, please call to discuss with Jane.

A designated "in hand" grazing area for your horses will be provided. Plenty of water is available for washing your horse down after riding. Please ensure all taps are turned off securely.

Our grassed camping area has areas of shade and a handy camping power pole. When the weather/Fire danger ratings allow, a fire pit to gather around with timber available.

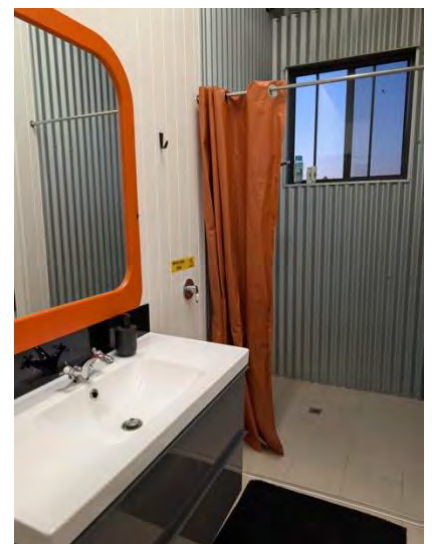

A participant's fridge is also available for you to use should you not have a car fridge. Please bring your own heavy duty power cords to use with our camping power pole.

Our clinic kitchen is fully equipped including a dishwasher/oven & hob & everything you could possibly need to prepare your meals. A gas BBQ is also available.

Our spacious shower room has constant hot water and great water pressure, just what you need after a day in the saddle.

A portable toilet is also provided.

We do provide a lunch option which has always proved very popular & ensures you don't need to worry about preparing your own. A selection of cold meats, cheese, salads, fruit, wraps and rolls is available for you to make your own lunch on the 4 days of the clinic. We offer complimentary tea, coffee (including coffee machine & pods), milk, cold water and often an array of delicious morning tea/lunch time delicacies generously provided by participants & if she's had time, Jane. Please bring all other food that you will require for your stay.

A shady seating area with tables in our shed is provided for eating, relaxing and chats with clinicians. Limited chairs are available, but we ask that you please bring your own chair.

We are situated about 20 minutes from both Gatton and Plainland so within easy reach of supermarkets and other shops should you require them.

Arrivals & departures

Arrivals & departure times for clinics are generally allowed from 1pm the day before and departure by 10am the day after the clinic ends. Yard and camping fees apply, and should you wish to make alternative arrangements, Jane & Steve are happy to discuss.

Paperwork

It is a legal requirement that a fully completed and signed Horse Health Declaration is presented to Jane or Steve when you 1st arrive at Bienvenido. A copy must be retained for the record. Please also remember to bring your signed clinic waiver. Spare waivers will be available from the clinician if you should forget yours.

(PIC # is **QCLL 1302**)

If you have any questions regarding Queensland's biosecurity guidelines, including your own personal movement record keeping requirements, please visit:

<https://www.dpi.qld.gov.au/business-priorities/biosecurity/animal-biosecurity-welfare/animal-health-pests-diseases/horses/horse-registration-and-movement-records>

Your comfort and safety & that of your horse

An approved Safety helmet and appropriate footwear must be worn whenever you are mounted on a horse (this is a venue requirement).

Please pack for all potential weather events as this is an outdoor venue. Mozzie/fly repellent if camping and hats, sunscreen and riding boots.

Please note that we have a no dog policy and cigarette smoking must be at your personal campsite, please be respectful of others.

For your horse, please consider the weather forecast when visiting, & don't forget to include any rugs you may need, hay & hard feed (including a hay net), check your tack when packing for suitability and safety, and remember any veterinary prescribed or recommended medications, supplements, horse fly spray, flyveils and sunscreen you would normally be using.

Please note you will be responsible for your horses care during your stay.

*The Bienvenido Round yard
(Well-watered for your comfort)*

Fees: (subject to change)

Safe & roomy horse yards \$15.00/day/24-hour period per horse
(these must be used, sorry no tying to floats)

Camping Fee \$15/night/person
(including power/excellent shower facilities/fully equipped kitchen)

Lunches (wraps, rolls, cold meats, cheese and salads) \$60/4 lunches or \$15 per day

Please confirm your yard, camping and lunch needs a week before the commencement of your stay. This helps us greatly with planning and catering preparation.

Payment must please be made in full before the start of a clinic. Direct deposit is preferred to the following account using "yournameBIEN" as the reference:

Account Name: J & S Knights
BSB 923100
Acc 301470340

Please call Jane/Steve if you need a total to pay.

If you have any questions regarding the venue and facilities, please don't hesitate to give us a call or drop us an email. Calls are best after 5pm Mon – Fri and between 8am and 6pm Weekends.

*The Bienvenido 60 x 20m arena
(This a great arena to walk in, not deep sand and we keep it well watered, so no dust)*

The Bienvenido horse yards

We look forward to seeing you soon
